FENCING, SPORTS & AMENITY PRODUCTS

MULTI SPORT EQUIPMENT

Safety is a key feature of our multisport equipment. Our goals and fencing are fully tested and carry a BSI Kitemark to BS EN 15312. We offer a full range of senior and junior goals together with tennis and volleyball nets which can be supplied as stand alone equipment or incorporated into a mini court or larger multisport court.

SENIOR GOALS

TENNIS

SPORTS FENCING

The Steelway range of sports fencing have been tried and tested by many schools and sports clubs around the UK including The National Tennis Centre. Available in a choice of heights from 900mm up to 10m clad with Weldmesh, Chainlink or Netting with optional kickboard.

BOUNDARY FENCING

SPORTS FENCING

BOUNDARY FENCING

In today's climate security is a primary concern for most people including schools with regards to commercial and personal safety. Achieving the right balance between security and visual effect is important and by choosing the correct fencing system this can positively impact upon vandalism and criminal damage. We offer a full range of fencing and gates to suit all levels of boundary security.

PLAY AREA FENCING

OUTDOOR FURNITURE

PLAY AREA FENCING

Steelway playground fencing enables children to play freely within a safe and secure boundary. Providing the correct fencing is as important as providing the right play equipment. We offer a choice of styles and heights to compliment and enhance the school environment.

JUNIOR GOALS

SECURITY FENCING

OUTDOOR FURNITURE

In addition to our large range of fencing systems we also offer a selection of strong outdoor furniture to compliment your school. These include seats, benches, litter bins, cycle stands and stiles, available in a choice of colours.

As part of the Steelway range of products we also manufacture and install balustrades, hand railing, staircases, walkways, ducting, access covers and frames and provide a full bespoke fabrication service.
